

RHS Student Parking Procedures & Application 2020-2021

Parking is limited; submission of a parking application does not guarantee a space. Spaces will be assigned via a lottery, using the app Random Lottery.

PERMIT FEE: \$5

- Only Seniors and Juniors (both In-District and Out-of-District) may apply for parking privileges.
- Parking applications will only be approved for students with a completed and signed application, correct fees, and current license (a learner's permit is not sufficient).
- Upon receipt of approval of your parking privileges, you may come to the office to pay the \$5 fee, and collect your parking tag. We will make photocopies of your driver's license and your insurance information to have on file at that time.
- The parking application process must be completed each year. Having a parking spot one year does not guarantee you a spot next year.
- **Student parking on campus during the school day without a permit is not allowed.**

APPLICATION SUBMISSION:

We will begin accepting parking applications beginning June 8th through August 21st.

Send completed applications to Grace Thompson via email at gthompson@riverdale.k12.or.us

OR you may drop off applications at the school beginning August 19th.

*dependent on the status of school for fall.

Spots will be assigned following the submission deadline and students will be notified via their school email address. All valid applications turned in after the deadline will be placed on the waitlist.

Lottery for parking spots will be conducted in the following order of student categories:

Out-of-District Seniors, In-District Seniors, Out-of-District Juniors, and finally In-District Juniors.

This is to ensure that all seniors have priority for receiving a parking spot.

Please fill out the Google Form here: <https://forms.gle/VZynVayyTnprUTUQA>

OR complete application below and return to Grace Thompson by August 21st via email starting June 8th or in person starting August 19th.

SPOT REASSIGNMENT:

- You must be able to start using your spot within the first two weeks of school.
- Assigned spots that are consistently open during the first two weeks of school will be subject to reassignment. You will be given a warning at the end of the first week; if your spot continues to be open, it will be reassigned the third week of school.
- If your spot is unused and reassigned, you will receive a full \$5 refund for the parking permit.

WAITLIST:

Riverdale High School has very limited parking on site, and we are only allowed to use a portion of our parking spaces for student parking per our City of Portland Land Use Agreement. Students who submit valid applications but do not receive a spot and students who apply after spots are assigned will be put on the waitlist. Students with invalid or incomplete applications (waiting for a license or car) will not be added to the waitlist.

If/when a student space opens up, there will be a lottery within the waitlist to determine the recipient of the open spot. Seniors will still be given priority over Juniors.

- Students on the waitlist are not guaranteed a parking space.
- Students on the waitlist will be given reassigned spots that are not used during the first two weeks of school. You will not receive a space any earlier than the third week of school. Please plan accordingly.
- Students on the waiting list are not authorized to park in open student, visitor or staff spaces while waiting for a spot to potentially be assigned.
- Students will be notified about space reassignment via email during the third week of school.
