### District Goals

The Riverdale School District's simple but powerful goal is to produce students who know how to use their minds well. Riverdale Grade School fosters a love of language and develops voracious readers through an instructional focus and exciting activities that encourage students to read voluminous amounts of material across a wide variety of genres.

The college-going culture at Riverdale High School begins freshman year. An Honors Curriculum is available within each core class section, challenging those who want it, yet not isolating students from each other.

### State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
